praise for the index trading course george and tom apply their considerable options trading and teaching expertise to the arena of broad based and sector indices index options traders will find the techniques systems and strategies invaluable and so will those who aren't yet index traders but want to learn to be larry mcmillan president mcmillan analysis corporation author profit with options i've known both george and tom for many years and have seen firsthand how they both can captivate a room with their knowledge of options trading and vibrant personalities now they have managed to capture that magic in this easy to understand how to manual on trading index options david kalt ceo optionsxpress holdings inc optionsxpress.com i traded in the oex pit for almost twenty years and i can't believe how well george and tom nailed the core strategies and trading intricacies of index products nice job tom sosnoff ceo thinkorswim inc education has been a major factor in the explosive growth in the options markets once again fontanills and gentile have delivered as leaders in options education with the index trading course and the index trading course workbook these books provide a disciplined approach to trading index and etf options through risk management christopher larkin vice president u.s. retail brokerage e-trade securities llc etrade.com options i found the index trading course and the index trading course workbook to be filled with useful and practical information on options etfs the market and trading in general they explain the unique characteristics of these instruments in understandable terms and should provide a good foundation to those interested in trading index options and options on etfs the quizzes and media assignments in the workbook are wonderful learning tools that help reinforce the information and concepts presented in the main book debra l. peters the options institute

filled with practical examples and no nonsense information this is essential reading for all those who want to expand their portfolios using conservative option strategies

do you like to amuse and entertain inform or teach or do you have a great book in mind but don't know how to bring it to life did you get frustrated by the traditional literary agents who take forever to get your book approved or other traditional publishing gatekeepers who make you almost want to give up on the idea of publishing a book at all or you are only looking for a side business you can do that can make you an extra 1000 in passive income per

month or do you dream to live with zero worries eating you up and no stress about finding a new job or taking your time off work to move or having worries about your paycheck because you have a system that makes you money even while you sleep if yes this is the best book for you i get you i have been in your shoes and experienced the same so i decided to write this book to teach you everything about self publishing and help clear all your doubts and get you started right away besides i have successfully published several best selling books and i know what you should do to avoid pitfalls and get you the right result i will be sharing with you my wealth of experience in this book so you can do as good as i am or even better in this book i will teach you self publishing basics how to get started and grab the maximum profit how to do research and check if there is a hungry market for your book how to write a book on a subject you know nothing about how to hire ghostwriters work and manage them effectively for optimum results how to format your book without having to buy any tools or hire someone to do it for you how to determine your writing needs assign resources to create and market your book while ensuring that it is being displayed to the right audience in all i ll teach you the a z of self publishing from solving your dilemma of self publishing to clearing your doubts and questions and finally guiding you to publish your masterpiece successfully this book will be your best pal on your way to financial independence why buy this book 1 it s a complete guide i ll be showing you step by step on how to self publish a book on any niche topic i will show you my process of coming up with ideas publishing and making money from the books i will teach you precisely what you need to know step by step with lots of examples and pictorial illustrations 2 it is not a storybook this book strictly deals with facts that you will relate to and explain with practical examples that ll leave no dull moments for you 3 it is full of pro tips i discuss many unique pro tips i discovered through my experience with publishing books 4 innovative solutions in this book you will find creative and unique solutions and suggestions that have never been stated before and cannot be found elsewhere trust me you will get everything you need and apply it straight away and be on your way to making money from self publishing if you want to know exactly how to self publish your book turn your idea into a finished product and make money with it look no further self publishing ebooks how to self publish market your books and make passive income online for life is a classic for everyone scroll up click on the buy now and get your copy now

currency trading is a smart way to make money from your comfort zone provided the trader must have the knacks to dominate in the trade field learning the basics and doing the practices well anyone can be a master of the arts to make money effortlessly one of the major aspects that are to be taken into key consideration when it comes to short listing the best brokers is nothing but the safety and security related facilities and features if the safety is

assured then comes in the next immediate concern about the payouts in binary currency pair options trading platform that anyone deal with the payouts are to be on the higher side for anyone to pick the option as a feasible one in the first place signals offered should be of the reliable and prompt kind as well if everything goes well then anyone can make the best use out of such brokers to gain a lot out of your trading activity over a period of time thanking the contributors to this presentation wishing good luck to the readers for better prospects

look inward for the missing piece to your trading strategy the art of trend trading bucks the trend of technicality to show readers how instinct and strategy can unite to bring about consistent investment success rather than diving ever deeper into the overdone world of complicated modeling and forecasting techniques trader ceo and bestselling author michael parness explains how making intuition a part of your investment strategy tends to result in more long term profit using animal spirits as a metaphor and tool parness helps readers understand how their natural tendencies may run counter to their strategy and how this dichotomy may be the shackle holding them back from true market success readers will learn how this perspective lifted parness from homelessness to making millions in both bull and bear markets and will start developing their own market instinct as they refine and tune into their own natural intuition everyone s looking for the ultimate system a way to game the market and uncover the secret to successful investing over the years parness has observed that the best traders those who consistently make money are the ones that use instinct and intuition as well as strategy this book shows you how to identify the natural trader within and use your gut to inform an ever evolving investment plan follow the author s journey from homelessness to millionaire identify and understand your own strengths and weaknesses develop your instinct alongside your strategy take a lesson from traders making consistent money there s no substitute for good strategy but it s no secret that some strategies seem to be more profitable than others the art of trend trading helps you find that missing piece and turn it into more consistent investment success

if you have experience in option trading or a strong understanding of the options markets but want to better understand how to trade given certain market conditions this is the book for you mark sebastian s new edition will teach trade evaluation using greeks trading various spreads under different market conditions portfolio building and risk management sebastian s approach will help traders understand how to find edge what kind of trade under what conditions will capture edge and how to create and successfully hedge the book demonstrates how to structure a portfolio of trades that makes more money with less risk
