the book publishing industry is going through a period of profound and turbulent change brought about in part by the digital revolution what is the role of the book in an age preoccupied with computers and the internet how has the book publishing industry been transformed by the economic and technological upheavals of recent years and how is it likely to change in the future this is the first major study of the book publishing industry in britain and the united states for more than two decades thompson focuses on academic and higher education publishing and analyses the evolution of these sectors from 1980 to the present he shows that each sector is characterized by its own distinctive logic or dynamic of change and that by reconstructing this logic we can understand the problems challenges and opportunities faced by publishing firms today he also shows that the digital revolution has had and continues to have a profound impact on the book publishing business although the real impact of this revolution has little to do with the ebook scenarios imagined by many commentators books in the digital age will become a standard work on the publishing industry at the beginning of the 21st century it will be of great interest to students taking courses in the sociology of culture media and cultural studies and publishing it will also be of great value to professionals in the publishing industry educators and policy makers and to anyone interested in books and their future

crowd funding is the greatest con in the history of the human race or the greatest opportunity is the second installment in the greatest con in the history of the human race ebook series volume ii of the ebook series focuses on the crowd funding industry and encourages individuals and small business owners to open their eyes and question the motives of anyone who is pushing the crowd funding business model the ebook was written to educate the industry while providing the stakeholders with the tools they need to level the playing field so everyone can benefit from the rapid growth of the crowd funding industry we wrote crowd funding is the greatest con in the history of the human race or the greatest opportunity to challenge crowd funding portals crowd funders donors and related stakeholders to work together to create a better global standard for crowd funding that will ensure a more equitable allocation of the abundance that crowd

funding affords the ebook examines several areas of concerns and offer up solutions we specifically encourage stakeholders to question the following rewards based crowd funders offer backers meaningless rewards of pre orders of untested products in return for financial support rewards based crowd funders do not offer crowd funders a share of their future sales in return for their referrals as traditional affiliate marketing systems do crowd funders hide behind the securities regulations and use it as a reason for denying backers a share in their future success you don t have to give up equity in your business to reward a person for helping you sales commissions or bonuses are just as good if not better most crowd funders lack influence and or personal network to succeed and crowd funding portals are not offering them assistance to enhance their campaigns chance for success crowd funding portals brand crowd funding as a silver bullet that can be embraced by anyone to raise financing when the truth is it is really hardwork crowd funding portals are using crowd funders to grow their brand appropriate free labour and free content to create value for themselves drawing from ideas introduced in volume i social networking is the greatest con in history or the greatest opportunity volume ii of the greatest con in the history of the human race ebook series is a warning it highlights the growing disparity and unequal division of the crowd funding bounty and how backers or donors are being persuaded to support projects for little more than meaningless short term rewards when history has proven that crowd funders and crowd funding portals can offer so much more we identify the problems and offer solutions although the title of the ebook is provocative crowd funding is the greatest con in the history of the human race or the greatest opportunity is an instructional manual for crowd funders donors and entrepreneurs it introduces a new form of crowd funding called social rewards based crowd funding or affiliate based crowd funding and offers up useful advice on how crowd funders can use existing technologies to share in the success of competing crowd funding campaigns earn rewards related bonuses when other crowd funders build their teams recruit reward donors fans for supporting crowd funding projects forever share in the revenues realized as crowd funding portals grow including a share of ongoing products sold promote crowd funding campaign to the mass media and or general internet community enhance donor fan acquisition with powerful viral marketing tools the ebook series is a road map unveiled in each volume the greatest con in history or the greatest opportunity ebook series provides a road map that can be used by anyone to transform their own personal network into a powerful source of revenue in volume ii of the greatest con in the history of the human race ebook series you will discover secrets that will teach how social rewards technology and self replicating online contest technology is revolutionizing the way crowd funding campaigns are deployed the series of ebooks introduce the revolutionary ideas behind social royalties social rewards technology self replicating contest technology self replicating fan networks and illustrates

how crowd funding when combined with social rewards technology is helping to create a new generation of entrepreneurs you will love the entire series of ebooks join us on this journey by purchasing each volume individually or pre order the entire series to be released in 2016
