this volume was born to address the lack of classroom oriented scholarship regarding u s educated multilingual writers unlike prior volumes about u s educated multilinguals this book focuses solely on pedagogy from classroom activities and writing assignments to course curricula and pedagogical support programs outside the immediate classroom unlike many pedagogical volumes that are written in the voice of an expert researcher theorist this volume is based on the notion of teachers sharing practices with teachers all of the contributors are teachers who are writing about and reflecting on their own experiences and outcomes and interweaving those experiences and outcomes with current

theory and research in the field the volume thus portrays teachers as active reflective participants engaged in critical inquiry contributors represent community college college and university contexts academic esl developmental writing and first year composition classes and face to face hybrid and online contexts this book was developed primarily to meet the needs of practicing writing teachers in college level esl basic writing and college composition classrooms but will also be useful to pre service teachers in tesol composition and education graduate programs

co published with and students need more than just academic skills for success in college and career and the lack of an explicit instructional focus on the soft skills critical to postsecondary success poses a challenge for many students who enter college especially the underprepared based upon a multi campus cross disciplinary collaboration this book presents the resulting set of habits of mind based strategies that demonstrably help not only low income esl and first generation college students overcome obstacles on the path to degree completion these strategies equally benefit all students they promote life long integrative learning and foster intellectual qualities such as curiosity openness flexibility engagement and persistence that are the key to developing internalized and transferrable competencies that are seldom given direct attention in college classrooms this contributed volume written with full time and adjunct faculty in mind provides the rationale for this pedagogical approach and presents the sequential instructional cycle that begins by identifying students assets and progressively focusing on specific habits to develop their capacity to transfer their learning to new tasks and situations faculty from both two year and four year colleges provide examples of how they implement these practices in english math and general education courses and demonstrate the applicability of these practices across course types and disciplines chapters address key factors of college success including the link between habits of mind and student retention and achievement using an assets based approach to teaching and learning supporting and engaging students creating inclusive learning communities building confidence and self efficacy promoting transfer of learning teacher networks and cross disciplinary collaboration by foregrounding habits of mind as an instructional lens this book makes a unique contribution to teaching in developmental and general education settings

this volume edited by grace veach explores leading approaches to teaching information literacy and writing studies in upper level and graduate courses contributors describe cross disciplinary and collaborative efforts underway across higher education during a time when fact or truth is less important than fitting a predetermined message topics include working with varied student populations teaching information literacy and writing in upper level general education and disciplinary courses specialized approaches for graduate courses and preparing graduate assistants to teach information literacy

the norton reader has introduced millions of writing students to the essay as a genre first published in 1965 it is still the best selling thematic reader and the only thematic reader that also supports a genre based approach the thirteenth edition introduces a new
